Cautions during the race

- ① Marathon is a very hard sport, you might have unexpected accidents if you are not in a good health condition
- ② Please be aware of your health condition during the event. If you aren't feeling well or having health problems, we do not recommend participating in the race. If you do not feel well or injured during the race, contact the closest staff and ask for guidance.
- ③ At some points on the course and the intersections where heavy traffic jam is expected, we may allow the traffic to pass on the course after the safety of the runners is ensured.
- ④ Those who do not follow event staff's guidance may not be permitted to enter the race.
- ⑤ Traffic control will be immediately cleared after the check point is closed. Please follow the event staff's advice. Step up to the side walk and be off the road and wait for the retired runner collection bus. After traffic regulation is lifted, please step up to the side walk and get on the runner collection bus. We will take no responsibility for accidents after that.
- ⑥ On the event day, there will be a traffic control to ensure runners safety. We ask for your corporation and run following policeman, security and traffic control staff's guidance.
- ⑦ Proxy runner is strictly prohibited.
